

Chrales Kingsley's - PE and Sports Grant Statement

How do we plan to use the PE and Sports Premium in 2025-2026

We expect to receive funding of approximately £15 192.40 during the academic year.

We plan to spend it as detailed below:

Provision Planned	Expenditure	Desired Impact	How will we measure the impact?
P.E specialist - Coach and Mentor.	£8497.27	To enhance the quality of P.E. across the school by delivering high-quality lessons and providing effective CPD for staff. To mentor key pupils across all year groups, supporting their personal development and wellbeing, while increasing pupils' understanding of their bodies and the physical and mental benefits of regular exercise.	Evidence of impact will include positive pupil and staff feedback, observations from festival and sports days, and increased participation in extracurricular activities and school teams.
Extra-Curricular Activities External coaches delivering lunchtime clubs	£5329.27	Weekkicks coaches to deliver football at lunchtime to Year 3&4 Year 5&6 KS2 Girls Gremlin Dance	Increased participation in extracurricular clubs and improved engagement in curriculum P.E. lessons will demonstrate the impact of provision. Pupils will be encouraged and inspired to access sporting opportunities outside of school. A

			particular focus on promoting girls' sport and teams will provide opportunities to learn and develop new skills. Inclusive provision will ensure all pupils have opportunities to participate, build confidence and enjoy a wide range of games and sports.
District Sports Competition	£300	To increase participation in a wide range of sporting events and competitions, raising the profile and reputation of the school within the wider community. To provide as many children as possible with the opportunity to represent their school, developing a strong sense of pride, belonging, confidence and achievement.	Pupils will have increased opportunities to represent the school in a broad range of sporting events and competitions. These experiences will develop confidence, teamwork and resilience, while fostering a strong sense of pride and belonging. Increased participation in external events will also help to raise the profile of sport and celebrate sporting success across the school.
External Coach cricket lessons for half a term with cricket specialist	To take place in summer term.	To improve staff confidence and expertise in teaching cricket, leading to increased pupil participation, enjoyment and skill development. To maintain the high profile of cricket	Evidence of impact will include positive pupil and staff feedback, increased attendance at after-school cricket clubs, more cricket being played during break and lunchtimes, and the ability to enter

		within the school, strengthen links with local clubs and provide pupils with opportunities to represent the school in local cricket tournaments and competitions.	both boys' and girls' teams into local tournaments and competitions.
Top up Swimming: Providing additional opportunities for swimming above the basic requirement. Swimming for Year 4 children and those who did not pass the 25m last academic year. SEN group to swim on a regular basis to improve mobility and confidence in and out of the pool.	£2095.20	To raise the profile of swimming as a vital life skill and increase the number of pupils who can confidently swim 25 metres by the end of primary school, aiming for a 5–10% improvement on 2024 outcomes. Pupils will develop greater confidence and enjoyment in the water and be encouraged to continue swimming through local clubs and activities outside of school.	Evidence of impact will include an increase in the percentage of pupils confidently swimming 5m, 10m, 15m and 25m, tracked through swim school assessments. Pupils will develop swimming as an essential life skill, with the aim of being confident and competent over 25 metres. Pupil surveys will measure participation in swimming lessons and clubs outside of school, with increased confidence and enjoyment encouraging children to continue swimming beyond the school curriculum.
Complete PE	£600 for 3 years	Full access to Complete PE teaching and assessment resources to support staff in delivering	Children will participate in high-quality, enjoyable PE lessons covering a broad range of activities, including

		consistent, high-quality PE lessons and accurately assessing pupil progress. Lessons include appropriate adaptations to ensure PE is inclusive and accessible, enabling all pupils to participate, develop their skills and experience success regardless of ability or individual need.	games, skills, dance, gymnastics and wellbeing. Learning will build on previous knowledge and follow clear skill progressions, enabling all pupils to make progress, develop confidence and enjoy being physically active.
P.E equipment and resources SEN PE resources	£871.63	Children will have access to safe, high-quality and inclusive equipment that supports participation and progression in PE. SEN-specific resources will enable lessons to be effectively adapted to meet individual needs, while additional resources for interventions, including Forest School and fire-pit activities, will provide opportunities to develop confidence, teamwork, resilience and wellbeing.	Appropriate equipment will be readily available to ensure all pupils can participate safely and fully in PE lessons, including adapted resources to meet individual needs.
